

Which Prepaid Funeral Plan is right for you?

Leeds Building Society is an introducer to Dignity Funeral Plans who directly provide The Prepaid Funeral Plan. Funeral plans provided by Dignity are not regulated by the Financial Conduct Authority.

You have three funeral plans to choose from and they include arrangements needed for a cremation funeral as specified in the plan. The table below shows the details of what's covered in each plan. Just choose the option that's right for you. Once you've paid for the plan Dignity will deliver the services listed below, no matter how far in the future that may be.

Dignity covers the services specified in the plan, should you want other items, known as 'Special Requests' these may be accommodated for, but you may be required to pay for the extra cost of these item(s). Examples include flowers and an organist, for instance. Please refer to the Terms & Conditions for full details.

*If a burial is required, these services marked with an asterisk are not covered by the guarantee. This is because burial costs vary widely so cannot be fully guaranteed in the same way as a cremation. Instead, a contribution of £1,200, which rises in line with inflation, is made towards burial fees and any services provided by third parties (such as Minister's or Officiant's fees). If you are interested in a burial funeral, please call Dignity on **0800 652 3345**. Your call may be monitored or recorded by Dignity for training and quality purposes. All calls to 0800 numbers are free of charge whether made from a landline or mobile phone. Please see the Terms and Conditions for more details.
